The Department of Energy, Environmental & Chemical Engineering is pleased to announce the 5th undergraduate International Experience Class. This is an elective class for undergraduate students (Freshmen, Sophomores & Juniors): E33 EECE 401 (3 credits). The highlight of the class is a summer visit to a major city where partner schools of the McDonnell Academy are located.

The class will visit Australia in the Summer of 2013.

International Experience in Energy, Environmental & Chemical Engineering (EECE 401, 3 credits)

Visit Brazil in Summer 2012 and register in Fall 2012 for this 3 credit class. Approved Engineering Elective class in EECE.

Washington University in St. Louis

- The International Experience class is open to all undergraduate students (except seniors) in good standing with GPA of 3.0 or higher. Preference will be given to Juniors and Sophomores (in Fall 2011).
- The faculty coordinators for 2012 visit and class are Drs. Yinjie Tang, Venkat Subramanian, & Ruth Chen.
- Applications are due October 15, 2011 and selections will be made by December 1, 2011. Application forms are available in Brauer Hall, room 1005, contact Dr. Ruth Chen for details.
- Send an email to Dr. Ruth Chen (ruth.chen@seas.wustl.edu) if you are interested

HIGHLIGHTS
- Pre-visit orientation meetings & seminars in Spring 2012
- Visits to Brazil in late May 2012 (17 day trip)
- Team-based projects on biofuel technologies, catalysis, nanotechnology, and environmental engineering
- Interact with university students at Unicamp, Campinas
- Possible visits to Sao Paulo and Rio de Janeiro
- Sociocultural Programs
- Internship opportunities available on campus, in the U.S. and Brazil

Forms are available with:
Lynn Zaltsman
Brauer Hall, room 1015
314-935-7899
zaltsmanL@seas.wustl.edu

Applications due: October 15, 2011

For additional information, please contact Dr. Ruth Chen, 935-6103 or ruth.chen@wustl.edu
