The Department of Energy, Environmental & Chemical Engineering is pleased to announce the 9th undergraduate International Experience Class. This is an elective class for undergraduate students (Freshmen, Sophomores & Juniors): **E33 EECE 401** (3 credits). The highlight of the class is a summer visit to a major city where partner schools of the McDonnell Academy are located.

The class will visit **HUNGARY** in the Summer of 2016.

**International Experience in Energy, Environmental & Chemical Engineering**

(EECE 401, 3 credits)

Visit Budapest University of Technology and Economics, Hungary in Summer 2016 and register in Fall 2016 for this 3 credit class. Approved Engineering Elective class in EECE and several other departments.

**Washington University in St. Louis**

- The International Experience class is open to all undergraduate students (except seniors) in good standing with GPA of 3.0 or higher. Preference will be given to Juniors and Sophomores (in Fall 2015).
- The faculty coordinator for the 2016 visit and class is Mr. Ray Ehrhard and Professor John Fortner.
- **Applications are due October 31, 2015** and selections will be made by December 1, 2015. Application forms are available in Brauer Hall, room 1015, contact Mr. Ray Ehrhard for details.
- Send an email to Mr. Ray Ehrhard (rehrhard@wustl.edu) if you are interested or need more information.

**HIGHLIGHTS**

- Pre-visit orientation meetings & seminars in December 2015
- Visit to Hungary, tentatively May 25-June 6, 2016
- Team-based projects on water treatment, bio-technology and environmental engineering science
- Interact with university students at Budapest University of Technology and Economics, Budapest, Hungary
- Sociocultural Programs
