

The Department of Energy, Environmental & Chemical Engineering is pleased to announce the 11th undergraduate International Experience Class. This is an elective class for undergraduate students (Freshmen, Sophomores & Juniors): **E44 EECE 411** (3 credits). The highlight of the class is a two week trip to visit National Taiwan University and National Chiao Tung University in Taiwan during the summer of 2018. These are partner universities of the McDonnell Academy.

International Experience in Energy, Environmental & Chemical Engineering (EECE 411, 3 credits)

Visit National Taiwan University and National Chiao Tung University in Taiwan, during Summer 2018. Enroll in Fall 2018 for this 3 credit class. Approved Engineering Elective class in EECE and several other departments.
